NAME OF EVENT: \_\_\_\_\_

LOCATION OF EVENT: \_\_\_\_\_ DATE OF EVENT: \_\_\_\_\_

TYPE OF EVENT: RECURRING ONE-TIME

TYPE OF BUSINESS: NON-PROFIT FOR PROFIT COMMUNITY GROUP OTHER \_\_\_\_\_

## THERE ARE THREE STEPS TO CURATING A SAFE SUNSCREEN EVENT:

- 1. PROVIDE &/or SELL ONLY SUNSCREEN SAFE FOR PEOPLE, CORALS, MARINE LIFE, THE 'AINA. Safe sunscreens are "mineral" sunscreens free of dangerous hormone disruptors, carcinogens and toxins including:** Oxybenzone, Octinoxate, Octocrylene, Avobenzone, Homosalate, Octisalate, Parabens, Nano-Particles, Phenoxyethanol, PEGs, Fragrance / Parfum, Propylene Glycol, Phthalates, Cocamide DEA, Methylisothiazolinone, 4-Methyl-Benzylidene Camphor, BHT, Polymethyl Methacrylate.
- 2. PROVIDE SUNSCREEN EDUCATIONAL INFORMATION in the form of signs, banners, educational cards, &/or speakers at the event.**
- 3. CREATE SOCIAL MEDIA posts prior to the event that include:**
  - a. Letting guests know this is a "Safe Sunscreen Event"** and that safe sunscreen will be sold &/or provided at the event. **Use the Safe Sunscreen Event badge** supplied upon approval.
  - b. Request guests only bring mineral sunscreen to the event.** "Reef Safe" labels on sunscreen bottles is unregulated and does not mean a sunscreen is safe. Request guests be conscious consumers; that they should flip the bottle and read the ingredients. This includes prohibiting aerosols: inhalation of aerosol sunscreen is dangerous. These atomized chemicals travel hundreds of feet in the breeze. They coat the 'aina having a negative impact on the environment. **Direct guests to take the Safe Sunscreen Pledge: [bantoxicsunscreens.com/safe-sunscreen-pledge](http://bantoxicsunscreens.com/safe-sunscreen-pledge)**
  - c. Suggested hashtags:** #safesunscreenevent #bantoxicsunscreens #reefsafesunscreen #hawaiilife #malamaaina #luckywelifehawaii #safesunscreenpledge #safesunscreencoalition #flipthebottle #readtheingredients #protecthawaii

**OPTION - SUNSCREEN TRADE-INS:** Work with (a) sunscreen company(s) to provide free safe sunscreen samples &/or discount on safe sunscreen WITH a "chemical sunscreen trade-in." Use hashtag #greatsunscreeintradein

**FEES: \$25 (Non-profit \$20). Payments can be made to Safe Sunscreen Coalition** via check to the below address **or** PayPal to [info@sunscreensafe.com](mailto:info@sunscreensafe.com) **or** go to [sunscreensafe.com](http://sunscreensafe.com) shop and click "Safe Sunscreen Event". Upon approval you will receive: 100 Sunscreen Pledge Cards; a badge to use on marketing materials; banners to use for the event (depending on availability); PDFs to print your own educational cards, signs, banners. Follow us and tag us in posts to @bantoxicsunscreens @safesunscreencoalition. Send info on your event to [info@bantoxicsunscreens.com](mailto:info@bantoxicsunscreens.com) Subject: SAFE SUNSCREEN EVENT. Events will be promoted on our social media and included in events calender and emails. Funds help us produce and share sunscreen education materials.

I waive and release Safe Sunscreen Coalition and Ban Toxic Sunscreens from any and all claims for any liability, injury, death, loss or damage in any way connected with or arising out of our "Safe Sunscreen Event."
